

SMOKING POLICY

Global Civil and Mining is an integrated civil and mining service providing surface mining, mine site construction and surface miner rebuilds.

Our Scope is to provide *Surface Mining Operations and Maintenance of Surface Mining Plant*.

We are committed to a duty of care under the occupational health and safety legislation to provide a safe and healthy work environment for all employees. The objective of this policy is to eliminate smoking in enclosed areas and minimise the exposure of tobacco smoke to all employees.

To implement this Policy we will:

- Ensure smoking is prohibited within 5 meters of any access or egress point.
- Ensure appropriate signage is used to identify non-smoking and designated smoking areas.
- Prohibit smoking in enclosed areas, vehicles and where smoke can drift into workplaces.
- Provide information on “quitting” programmes.
- Smoking is prohibited at all times in company owned and provided vehicles and equipment.

This Policy applies to all personnel engaged in activities under Global Civil and Mining’s operational control. Global Civil and Mining Management will use their influence to promote this Policy. Global Civil and Mining will adapt to the higher-level procedure that is applicable to the site standards.

Global Civil and Mining will review this policy annually.
